Happy Fathers Day

He's full of advice on everything from corvettes to careers. And while some of it seems a little off the beaten path, we love him anyways. Here are a few funny sayings from Dear Old Dad.

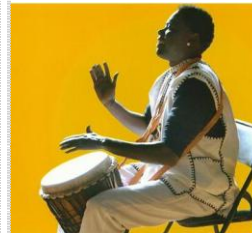

- "I had to walk to school. Barefoot. In the snow. Uphill both ways."
- "You're going out looking like that?"
- "That'll go on your permanent record."
- "There's nothing a little duct tape can't fix."
- "As long as you live under my roof, you'll follow my rules."

Feelin' Hot!

Cultures that reside in hotter temperatures eat spicy food for a reason. Chili peppers contain a chemical that makes you sweat. The sweat evaporates and keeps you cool. This month, crank up the heat with a super-simple, super-spicy **Mongolian Beef recipe**. It's sure to get your tongue tingling.

FLAG DAY

Each year on June 14, we celebrate the birthday of the Stars and Stripes, which came into being on June 14, 1777. At that time, the Second Continental Congress authorized a new flag to symbolize the new Nation, the United States of America. Happy Flag Day!
